**SUPPLEMENTARY INFORMATION:**

I. Background: The Davis-Bacon and related Acts (DBRA) require the application of Davis-Bacon labor standards to federal and federally assisted construction. The Copeland Act (40 U.S.C. 3145) requires the Secretary of Labor to prescribe reasonable regulations for contractors and subcontractors engaged in construction work subject to Davis-Bacon labor standards. While the federal contracting or assistance-administering agencies have a primary responsibility for enforcement of Davis-Bacon labor standards, Reorganization Plan Number 14 of 1950 assigns to the Secretary of Labor responsibility for developing government-wide policies, interpretations

and procedures to be observed by the contracting and assisting agencies, in order to assure coordination of administration and consistency of DBRA enforcement.

The Copeland Act provision cited above specifically requires the regulations to “include a provision that each contractor and subcontractor each week must furnish a statement on the wages paid each employee during the prior week.” This requirement is implemented by 29 CFR 3.3 and 3.4 and the standard Davis-Bacon contract clauses set forth at 29 CFR 5.5. Regulations 29 CFR 5.5 (a)(3)(ii)(A) requires contractors to submit weekly a copy of all payrolls to the federal agency contracting for or financing the construction project. If the agency is not a party to the contract, the contractor will submit the payrolls to the applicant, sponsor, or owner, as the case may be, for transmission to the contracting agency. This same section requires that the payrolls submitted shall set out accurately and completely the information required to be maintained under 29 CFR 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals, and instead, the payrolls shall only need to include an individually identifying number for each employee ( e.g. , the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH–347 is available for this purpose from the Wage and Hour Division web site at <https://www.dol.gov/sites/dolgov/files/WHD/legacy/files/wh347.pdf>.

The regulations at 29 CFR 3.3(b) require each contractor to furnish weekly a signed “Statement of Compliance” accompanying the payroll indicating the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon Act prevailing wage rate for the work performed. The weekly submission of a properly executed certification, with the prescribed language set forth on page 2 of Optional Form WH–347, satisfies the requirement for submission of the required “Statement of Compliance”. Id. at §§

3.3(b), 3.4(b), and 5.5(a)(3)(ii)(B). Regulations 29 CFR 3.4(b) and 5.5(a)(3)(i) require contractors to maintain these records for three years after completion of the work.
